Composition/information on ingredients

Product composition Steam activated carbon

Food grade Yes

GMO statement This product contains no genetically modified components

Hazards identification

Classification Non hazardous

N/A Risk phrases Safety phrases N/A

Labelling Labelling as per Regulation EC 1272/2008 not applicable

First aid measures

General advice Move out of the dangerous area, show this data sheet to the doctor in

attendance.

If inhaled Move to fresh air, consult a physician after significant exposure.

In case of skin contact Remove contaminated clothing, wash before use. Rinse skin with

If swallowed Clean mouth with water and afterwards drink plenty of water. Do not

give milk or alcohol. Never give anything by mouth to someone uncon-

scious. Obtain medical attention if patient feels unwell.

In case of eye contact Rinse eye(s) with plenty of water. Remove any contact lenses. Protect

unharmed eye. If irritation persists, consult a specialist.

Material Safety Data Sheet

Firefighting measures

Extinguishing media Water spray, dry chemical, CO2 or foam

Advice for firefighters Wear self-contained breathing apparatus, goggles and skin protection

Further information Use ater spray to cool nearby surfaces and structures.

Accidental release measures

Personal precautions Use protective clothing, avoid dust formation and inhalation of dust. Environmental precautions Try to prevent material from reaching drains or water courses.

Method for cleaning up Sweep up, arrange disposal without creating dust.

Handling and storage

Handling Avoid inhalation of dust. Prevent eye or skin contact. Wear suit-

able protective clothing. Provide adequate ventilation where dust is

formed.

Storage Store dry and cool.

Exposure controls / personal protection

Exposure limits Contains no components with occupational exposure limits.

Personal protection

Respiratory protection Wear dust mask Hand protection Wear gloves Eye protection Use goggles

Skin protection Wear protective overall

Physical and chemical properties

Appearance Granular particulate solid

Colour Black Odour Odourless Flammability Non-flammable

Stability and reactivity

Chemical stability Stable

Conditions to avoid Moisture, very high temperatures

Materials to avoid Strong oxidisers such as ozone, liquid oxygen, chlorine, permanga-

nate

Hazardous decomposition CO and CO2

CAUTION Wet activated carbon removes oxygen from air causing severe

hazard to workers.

Material Safety Data Sheet

Toxicological information

Effects of exposure

Eye contact May irritate eyes Skin contact May irritate skin

If inhaled May cause mild irritation If swallowed May cause mild irritation

Carcinogenity Not considered to be a carcinogen Mutagenity Not considered to be a mutagen

Reproducive effects None identified

Disposal considerations

Discharge into the environment must be avoided. Do not contaminate ponds, waterways or ditches with chemical or used container. Do not dispose of waste into sewer. Dispose in accordance with local waste disposal authorities.

Transport information

This material has no transport regulations.

Regulatory information

This material is not regulated.
